

STARY & STARY JR.

Dearest STARY Teens and families,

May was yet another great month for our youth program at TSS. Lots of teens turned out to our Tie-Dye Picnic, which proved to be a fun, messy and delicious event. This summer, our teens will be participating in a diverse range of exciting activities. Temple Shaarei Shalom will be better represented at Camp Coleman than ever before. We have teens traveling to Israel, volunteering at Jewish Day Camps and tutoring younger student here at TSS. I am so proud of our teens, and know that they will have a fantastic time and learn a lot in these summer experiences.

As most of you know, I won't be returning as Youth Advisor next year. I'll remain in the community, leading Tot Shabbat services with Rabbi Fratello and Cantor Kaplan, and I'm only a Facebook click away from any teen who wants to keep in touch—but I'll miss you. I want to share with this community that I'm so grateful for the opportunity to work here, pray here and learn here. I thank the families, teens and staff for a great two years.
