

## **LEGACY**

**L**eaving a gift

**E**nduring beyond your lifetime

**G**iving and continuing to give

**A**llowing those who follow to benefit and thrive

**C**ompleting, fulfilling

**Y**our wishes

A **LEGACY** gift permits us to give the gift in many ways: in whole during our lifetime, in part during our lifetime and in part after we are gone; or, in whole after we are gone.

**LEGACY** gifts define our values: providing for religious school scholarships, for camp scholarships, for prayerbooks, for special programs.

For the things beyond the temple's daily expenses that permit us to share the benefits of temple membership with others.

A **LEGACY** is a two way gift, given to permit Temple Shaarei Shalom to grow and to permit Temple Shaarei Shalom to remember each of us who helps it to grow.

And our **LEGACY** live on as a part of our heritage: to our community, to our children, to our children's children...
